CALL & CASE MANAGEMENT MONTHLY REPORT

Co-Response Unit Technical Report

PROFILES | JULY 2024

SUMMARY

In July, 2024 the Co-Response Unit logged eighty-three calls. Fifty-seven were direct dispatch referrals. Twenty-one were follow-ups. Three outreach contacts and two self-initiated contacts were made. 67.5% of logged calls resulted in field contact. Among these, 77.7% were resolved on-scene. There were no reported co-response or citizen injuries.
